ECF CASE

ORDER AND STIPULATION PROVIDING FOR INJUNCTION AND AFFIRMATIVE RELIEF

WHEREAS, on or about March 29, 2007, the Equal Employment Opportunity Commission ("EEOC") filed the above-referenced action, Equal Employment Opportunity Commission v. New York State Department of Correctional Services, 07 Civ. 2587 (SAS) (HP) (the "EEOC action"), against the New York State Department of Correctional Services ("DOCS") in the United States District Court for the Southern District of New York, alleging violations of the Equal Pay Act of 1963 (the "EPA"), as amended;

WHEREAS EEOC's Amended Complaint, filed on or about May 24, 2007, alleges that DOCS unlawfully discriminated against female employees at its Sing Sing facility by transferring

The Clerk is directed to close both of these cases 07 Civ. 2587; 08 Civ. 4419 so ordered. JMS/SLC USD 5/24/08

pregnant female employees only from Workers' Compensation leave to a less lucrative maternity leave on or before the birth of their children, without determining whether the underlying work-related injuries leading to the Workers' Compensation leave were ongoing. Thus, EEOC alleges, DOCS provided less valuable benefits to female employees at Sing Sing Correctional Facility than it did to male employees performing substantially equal work;

WHEREAS, EEOC's Amended Complaint further alleges that DOCS provided less valuable benefits based on sex to: Sandra Aponte, Lisa Dennison Ayers, Elsa Harris, Monique Horton, Eugenia Kirkland, Arlene O'Can, Hollie Rathgeber, Wanda Rosado, Gina Shibah, Tashonna Shivers, Natisha Wallace-Behlin, Sharon Waring, Patricia Young, and other similarly-situated individuals;

WHEREAS, in Charge No. 520-2007-02374, EEOC commenced an investigation of whether DOCS similarly transferred pregnant female employees from Workers' Compensation leave to maternity leave at DOCS facilities other than the Sing Sing Correctional Facility;

WHEREAS, by letter dated June 26, 2007, the United States of America (the "United States") advised DOCS that the United States Department of Justice had authorized the United States Attorney for the Southern District of New York to commence a civil action against DOCS for violating Title VII of the Civil Rights Act of 1964;

WHEREAS, the United States of America commenced the above-referenced action (the "United States' action") against DOCS to enforce Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e *et seq.*, as amended ("Title VII");

WHEREAS, the United States alleges in its Complaint that DOCS discriminated against individual female employees at the Sing Sing Correctional Facility on the basis of their sex by

transferring them from paid Workers' Compensation leave and benefits to unpaid maternity leave due to the birth of their children, including charging parties Wanda Rosado, Gina Shibah, Patricia Young, Sharon Waring, and Natisha Wallace-Behlin, and similarly situated current and / or former employees of DOCS;

WHEREAS, the United States further alleges in its Complaint that DOCS engaged in an unlawful pattern and practice of employment discrimination on the basis of sex as a result of its categorical determination that a female employee who gives birth to a child should be transferred from Workers' Compensation leave and benefits without making a determination as to whether, in an individual case, an employee continues to be eligible for Workers' Compensation leave and benefits;

WHEREAS, in addition to the thirteen individuals named as complainants in EEOC's Amended Complaint and the United States' Complaint, ten other individuals, Natalie Caraballo, Maria Velardo, Tamenika Atkins, Leetisha Robinson Dunia, Nicole Holloway, Tawanna Gibson, Jawanna Bellamy, Yolanda Francis, Yvette Dargan, and Patti Pilat have been identified as Claimants in these cases (the twenty-three (23) are collectively referred to herein as "the Claimants");

WHEREAS, as of the date of the parties' execution of this Order and Stipulation Providing for Injunction and Affirmative Relief ("Order"), DOCS has restored leave accruals and back pay in the amounts set forth in this Order;

WHEREAS, DOCS held Workers' Compensation training for all Deputy Superintendents for Administration and Personnel Clerks in July and August 2007;

WHEREAS, on July 9, 2007, DOCS issued memoranda via electronic mail to all

Superintendents, all Deputy Superintendents for Administration, all Personnel Clerks, and all Central Office Personnel Representatives, stating that “[n]o female correction officer may be removed by DOCS from Workers’ Compensation benefits due to pregnancy or the birth of a child, nor should a female correction officer be scheduled for an Independent Medical Evaluation solely based on her pregnancy or the delivery of a child”;

WHEREAS, on July 24, 2007, DOCS amended Section IV.F.7 of its Directive 2208A, Workers’ Compensation Benefits (Security Services), to provide that “[n]o female Correction Officer may be removed by DOCS from Workers’ Compensation benefits due to pregnancy or the birth of a child, nor should a female correction officer be scheduled for an Independent Medical Evaluation solely based on her pregnancy or the delivery of a child”;

WHEREAS, DOCS issued a memorandum dated August 1, 2007, from Daniel F. Martuscello III, Director of Personnel, to all Superintendents, concerning the revision of Directive 2208A and directing each of its facilities to read that memorandum to all Correction Officers during each shift’s “line-up” procedure;

WHEREAS, EEOC, the United States, and DOCS agree that settlement of these two actions, and the pending investigation of EEOC Charge No. 520-2007-02374, without further litigation is in the public interest and that entry of this Order is the most appropriate means of resolving this action;

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED AS FOLLOWS:

JURISDICTION AND VENUE

1. This Court has jurisdiction over EEOC's action pursuant to 29 U.S.C. § 206(d), and 28 U.S.C. §§ 1331, 1343, and 1345.

2. This Court has jurisdiction over the United States' action pursuant to 42 U.S.C. §§ 2000e-5(f)(3), 2000e-6(b), and 28 U.S.C. §§ 1331, 1343, and 1345.

3. Venue for these actions is proper in the Southern District of New York.

GENERAL INJUNCTIVE RELIEF

4. EEOC's Amended Complaint is deemed to be amended further, to include allegations of discrimination by DOCS in each of its facilities statewide, and to include claims of Natalie Caraballo, Maria Velardo, Tamenika Atkins, Leetisha Dunia Robinson, Nicole Holloway, Tawanna Gibson, Jawanna Bellamy, Yolanda Francis, Yvette Dargan, and Patti Pilat.

6. DOCS is enjoined from removing any female Correction Officer from Workers' Compensation leave due solely to the birth of a child, and from scheduling any female Correction Officer for an independent medical examination based solely on the birth of a child.

7. DOCS is enjoined from retaliating against any person because that person has participated in or cooperated with EEOC's and the United States' investigations of EEOC Charge Nos. 160-2003-00187, 520-2006-03586, 520-2006-02632, 520-2006-03441, 16G-A5-03084, or 520-2007-02374, the litigation of the current actions, or the administration of

A copy of the Maternity Leave Notification cover letter is attached to this Order as Exhibit A. The attachments listed in Exhibit A shall be provided with the cover letter. DOCS shall provide the Maternity Leave Notification within fifteen (15) days of the employee's request to use maternity leave or child-rearing leave.

c. A copy of the August 1, 2007 memorandum from Daniel F. Martuscello III, Director of Personnel, to all Superintendents, concerning the revision of Directive 2208A.

10. In the event that DOCS modifies the cover letter of the Maternity Leave

Notification, attached hereto as Exhibit A, Section IV.F.7 of Directive 2208A or Directive 2226, during the effective period of this Order, DOCS shall provide prior written notice of the change to EEOC and the United States, through undersigned counsel, no less than fifteen (15) business days prior to the effective date of the change. EEOC and the United States shall have the right to seek relief from the Court in the event that such changes are inconsistent with the terms and objectives of this Order.

TRAINING

11. DOCS shall repeat the Workers' Compensation training that it held for all Deputy Superintendents for Administration and/or Personnel Clerks in July and August 2007, once each year during the term of this Order, and shall require each Deputy Superintendent for Administration, Personnel Clerk, and Central Office Personnel Representative to attend the training at least once. This training shall include a discussion of the amended Section IV.F.7 of Directive 2208A, Workers' Compensation Benefits (Security Services), as well as the Maternity Leave Notification.

12. Each time a new Deputy Superintendent for Administration, Personnel Clerk, or Central Office Personnel Representative is hired in any DOCS facility or at Central Office, he or she will be provided with a copy of the Maternity Leave Notification with attachments and a copy of the August 1, 2007 memorandum referred to in paragraph 9(c) herein.

13. By October 31, 2009, DOCS shall provide three (3) hours of anti-discrimination training for all Correction Officers. Such training shall include a discussion of pregnancy discrimination, and a discussion of discrimination in pay and benefits. As part of the training,

DOCS shall distribute a copy of the August 1, 2007 memorandum referred to in paragraph 9(c) herein to each attendee. DOCS shall repeat this training once for all Correction Officers between November 1, 2009 and the end of the effective term of this Order.

14. For all new Correction Officers, DOCS shall provide three (3) hours of anti-discrimination training during their first six (6) months of employment. Such training shall include a discussion of pregnancy discrimination, and a discussion of discrimination in pay and benefits. DOCS shall also distribute a copy of the August 1, 2007 memorandum referred to in paragraph 9(c) herein to each attendee.

15. On the anniversary of the entry of this Order during each year of the effective period, DOCS shall forward to EEOC and to the United States a copy of the attendance sheets for training sessions conducted during that period.

16. DOCS shall, on two separate and additional occasions during the effective term of this Order, once in 2010 and once in 2012, distribute to all Correction Officers a document outlining employees' equal employment rights. This document shall also include information concerning the policies and procedures for filing a complaint of employment discrimination with EEOC, the New York State Division of Human Rights, and the DOCS Office of Diversity Management. DOCS shall provide the document to EEOC and the United States one month in advance of each distribution of the document.

17. DOCS shall hold a voluntary seminar on leave benefits, available to all employees, once at each facility during the term of this Order. This seminar will include a discussion of Section IV.F.7 of Directive 2208A.

MONETARY RELIEF

18. DOCS shall pay the total sum of \$972,000 to the Claimants. This sum includes back wages issued to certain Claimants before the parties executed this Order, the monetary value of the leave accruals restored to certain Claimants before the parties executed this Order, along with all monetary damages to be issued to the Claimants as set forth in Exhibit B hereto.

19. EEOC and DOCS agree that all backpay awards are subject to applicable withholding and/or payroll deductions, including but not limited to federal, state and local taxes, such payment to be reported to the Claimants on an IRS Form W2. EEOC and DOCS further agree that all awards of interest, liquidated damages and compensatory damages are to be reported to the Claimants on an IRS Form 1099. Nothing in this Order or in Exhibit B constitutes a representation by the United States of America, EEOC, or the Internal Revenue Service regarding any withholding and/or tax liability of the New York State Department of Correctional Services with regard to the amounts paid to any individual named herein, or any interpretation of applicable tax law by the United States of America, EEOC, or the Internal Revenue Service with regard to such amounts.

20. Payment of the monetary awards set forth in Exhibit B hereto is subject to the approval of all appropriate New York State officials in accordance with the provisions for indemnification under Section 17 of the New York Public Officers Law. Counsel for EEOC and the United States agree to provide a copy of the New York State Standard Voucher (Form AC92) to each claimant to receive a monetary award under this Order. In the event that the monetary awards set forth in Exhibit B are not approved by the necessary New York State officials

pursuant to Section 17 of the New York Public Officers Law on or before July 1, 2008, EEOC and/or the United States may, at their option, rescind the releases in this Order, and bring any civil claim, action, or proceeding against DOCS for the claims that would otherwise be released in this Order. In the event that the payment of the monetary awards is approved by the necessary New York State officials pursuant to Section 17 of the New York Public Officers Law, but such approval does not occur within 120 days of the entry of this Order by the Court, DOCS shall pay interest on each monetary award set forth in Exhibit B paid more than 120 days after the date of entry, to be calculated in accordance with 28 U.S.C. § 1961, beginning on the 121st day after the entry of this Order by the Court.

21. The checks constituting payment of the monetary awards set forth in Exhibit B hereto shall be issued in the name of the Claimants, and shall be mailed to the Claimants at their current home addresses. EEOC or the United States shall furnish the Claimants' current names and addresses to DOCS within three business days of the date of the parties' execution of this Order. Each Claimant receiving a monetary award pursuant to this Order shall execute the release attached hereto as Exhibit C as a condition of receiving that award. Counsel for EEOC and the United States shall provide a copy of Exhibit C to each Claimant and shall endeavor to provide the signed releases to DOCS within ten (10) business days of the date of the parties' execution of this Order.

22. Within fifteen (15) business days of each payment or leave accrual restoration to be made pursuant to this Order, DOCS shall provide copies of the following documentation to Raechel L. Adams, Senior Trial Attorney, Equal Employment Opportunity Commission, 33

Whitehall Street, 5th Floor, New York, New York, 10004, and Wendy H. Waszmer, Assistant United States Attorney, United States Attorney's Office for the Southern District of New York, 86 Chambers Street, 3rd Floor, New York, New York, 10007:

NOTICE TO EMPLOYEES

23. Within thirty (30) days of the entry of this Order, DOCS shall conspicuously post the "Notice of Settlement" attached to this Order as Exhibit D in a location readily accessible and frequented by DOCS employees in each of its facilities.

24. Within thirty (30) days of the entry of this Order, DOCS shall orally notify its employees of the August 1, 2007, memorandum from Daniel F. Martuscello III, Director of Personnel, to all Superintendents, concerning the revision of Directive 2208A, by reading the memorandum during each shift's "line-up" procedures for a 72 hour period at each DOCS facility.

RECORD-KEEPING AND REPORTING

25. During the effective period of this Order, DOCS shall keep and preserve the following records: (a) records of female Correction Officers on Workers' Compensation; (b) any

employee complaints received by DOCS' Office of Diversity Management regarding the transfer of female Correction Officers from Workers' Compensation leave to maternity leave or child-rearing leave; and (c) any grievances under the contract between DOCS and NYSCOBAs that are appealed to Step 2 and received by DOCS' Labor Relations Office regarding the transfer of female Correction Officers from Workers' Compensation to maternity leave or child-rearing leave.

26. EEOC and the United States shall monitor DOCS' compliance with this Order. In connection with monitoring DOCS' compliance, EEOC and the United States may inspect and copy any documents that relate to the subject of this Order, upon fifteen (15) business days written notice to DOCS, without further order of the Court. DOCS reserves its right to seek relief from the Court regarding any such request on the ground that the documents are not relevant or the request is unduly burdensome.

27. DOCS shall, on the anniversary of the entry of this Order during each year of the effective period, provide to EEOC and the United States a written report including the following information:

- A. A list of the female Correction Officers who have been on Workers' Compensation leave during the previous year; and
- B. The names and employing facilities of the female Correction Officers who have received the Maternity Leave Notification referred to in paragraph 8 herein during the previous year; and
- C. Copies of any complaints received by DOCS' Office of Diversity

Management during the previous year regarding the transfer of female Correction Officers from Workers' Compensation leave to maternity leave or child-rearing leave and all written responses to such complaints by DOCS; and

- D. Copies of any grievances appealed to Step 2 and received by DOCS' Labor Relations Office during the previous year regarding the transfer of female Correction Officers from Workers' Compensation leave to maternity leave or child-rearing leave.

MODIFICATION

28. Except as provided in paragraph 29 herein, there shall be no modification of this Order without the written consent of EEOC, the United States, and DOCS, and the approval of the Court.

29. DOCS has represented to EEOC and the United States that it has made a good faith attempt to identify each female Correction Officer who was transferred from Workers' Compensation benefits to maternity leave or child-rearing leave due to her pregnancy or the birth of a child. In the event that, after the parties have executed this Order, EEOC, the United States, or DOCS identify other current and / or former employees of DOCS who were transferred from Workers' Compensation benefits to maternity leave or child-rearing leave as a result of their pregnancies or due to the birth of children, and who were not previously identified and / or disclosed by DOCS, EEOC and / or the United States shall first confer with DOCS and attempt to resolve the claims on behalf of such employees. If, after thirty (30) days, the parties have not

resolved such an employee's claims, EEOC and / or United States have a right to seek a modification of this Order to resolve the claims on behalf of such employees by seeking relief consistent with this Order, and to seek any other appropriate relief from the Court. Should any such employee receive relief under this provision (either through the parties' informal resolution or through an order of this Court), both this Order and EEOC's Complaint in this case shall be deemed amended to include such an employee as a Claimant.

ENTIRE AGREEMENT

30. This Order represents the entire agreement between EEOC, the United States, and DOCS. No prior agreements, oral representations, or statements shall be considered part of this Order.

31. This Order shall not constitute an admission of fault or liability.

32. This Order settles the claims raised in the EEOC's Amended Complaint, the United States' action, and EEOC Charge No. 520-2007-02374.

RETENTION OF JURISDICTION

33. This Order shall remain in effect for five (5) years from the date of entry as to the EEOC and for three (3) years from the date of entry as to the United States. This Court shall retain jurisdiction and shall have the same powers it would have with respect to a judgment during this effective period to enforce or modify the provisions of this Order, to resolve any dispute that arises under this Order, and to entertain any application and issue any orders as may be necessary or appropriate for the effectuation of its terms and objectives.

34. The parties shall attempt to informally resolve any disputes, concerns, or

perceived violations that may arise under this Order. To that end, EEOC and / or the United States will notify DOCS in writing of any perceived instances of non-compliance with this Order's terms, and DOCS may respond in writing within fifteen (15) business days. The parties shall engage in a good faith effort to resolve any dispute as to compliance prior to seeking intervention of the Court. EEOC and / or United States shall not make any motion to enforce this Order less than thirty (30) business days after providing DOCS with written notice of the perceived violation as required by this paragraph. If, after receiving written notification of any perceived non-compliance with this Order's terms, DOCS cures the alleged non-compliance to the satisfaction of the United States and EEOC, the United States and/or EEOC agree not to seek relief from the Court relating to the non-compliance, including, but not limited to, an order of contempt. Notwithstanding the foregoing, if the delay caused by the attempt at informal resolution and notice provided for in this paragraph would result in harm to the public interest, EEOC and / or United States may seek appropriate relief immediately from the Court for any perceived non-compliance or violations that may arise under this Order, so long as EEOC and / or the United States provide prior notice to DOCS of any application to the Court.

EXECUTION OF ORDER AND STIPULATION PROVIDING FOR INJUNCTION AND AFFIRMATIVE RELIEF

35. This Order may be executed in counterparts, each of which shall be an original and shall constitute one and the same instrument.

COSTS AND ATTORNEY'S FEES

36. Each party shall bear its own costs and attorney's fees in this action.

To help ease any stress or confusion regarding your benefits and to ensure that you take full advantage of all of your benefits, we present this information packet.

In this packet, you will find several Department Directives that outline your benefits and your responsibilities to ensure that your benefits are administered fully. Here is a list of some of the information that you should review:

- Directive #2202, Attendance Control Program, has information on reporting absences, when you should submit documentation and what constitutes proper medical documentation.
- Directive #2204, Sick Leave at Full Pay, outlines the proper usage of both short-term and long-term personal and family sick leave.
- Directive #2206, Sick Leave at Half-Pay, gives information on how half-pay eligibility is earned and the requirements to request usage of half-pay.
- Directive #2208A, Workers' Compensation Benefits – (Security Services), describes procedures to be followed whenever an employee in the Security Services requests Workers' Compensation benefits. Section F. specifically addresses how the benefit interacts with pregnancy or the birth of a child.
- Directive #2220, Family Medical Leave Act, describes the federal law that allows eligible employees to take up to 12 weeks annually for health related issues, including the birth of a baby. During periods covered by the FMLA, your job status and health benefits will be protected. The directive gives information on how to request FMLA, who is eligible for FMLA usage, FMLA documentation requirements and how FMLA usage is administered. The directive also gives information on how the FMLA works in concert with the various accruals you may be using.
- Directive #2221, Employee Health Insurance, gives details on this important benefit. Information includes employee eligibility and dependent coverage.
- Directive #2226, Maternity and Child-Rearing Leave, describes the duration of time that can be used as maternity leave, how your other accruals can be used during this period, as well as the documentation requirements.
- All Superintendent Memorandum from Director of Personnel, describes portions of Directive #2208A.
- Employees' Manual, Section 22, Affirmative Action Policy, provides the address to report any action you believe to be discriminatory.
- Employees' Manual, Section 26, Attendance Rules, provides an overview of the various leave benefits.
- Department of Civil Service Health Insurance Transaction Form PS-404. Submit a completed copy of this form, along with statement from your doctor of the date of birth of the baby, to your facility Personnel Office so that your baby can be added to your health insurance. Obviously, this should be taken care of as soon after the birth as possible.

You should review the current contract between New York State and NYSCOPBA for additional information about health insurance and accrual usage. You should contact your facility Personnel Office for health insurance information on your chosen plan for prenatal, child delivery and well child doctor's appointments

Again, let me congratulate you on this wonderful event. If you have any additional questions regarding health benefits or accruals usage, please contact your facility Personnel Office.

EXHIBIT D

**NOTICE TO NEW YORK STATE DEPARTMENT OF
CORRECTIONAL SERVICES EMPLOYEES**

This Notice is being posted pursuant to an Order and Stipulation Providing for Injunction and Affirmative Relief (the "Order") entered in resolution of lawsuits brought by the U.S. Equal Employment Opportunity Commission ("EEOC") and the United States Attorney's Office for the Southern District of New York against the New York State Department of Correctional Services ("DOCS") in federal court in the Southern District of New York. In the lawsuits, the EEOC and the United States of America alleged the DOCS has unlawfully discriminated against female employees at its Sing Sing facility by transferring pregnant female employees only from workers' compensation leave to a less lucrative maternity leave on or before the birth of their children, without first determining whether the underlying work-related injuries leading to the workers' compensation leave were ongoing.

Under the Order, DOCS is enjoined from engaging in any act or practice that unlawfully discriminates against any employee on the basis of pregnancy or childbirth, including with respect to leave or benefits related thereto. DOCS is further enjoined from retaliating against, or in any way, adversely affecting the terms, and conditions, or privileges of employment of any person, because that person has participated or cooperated with EEOC's and the United States' investigations of EEOC Charge Nos. 160-2003-00187, 520-2006-03586, 520-2006-02632, 520-2006-03441, and 16G-A5-03084, or 520-2007-02374, the litigation of the EEOC's and United States' lawsuits, or the administration of the Order.

DOCS' Directive #2208A, Workers' Compensation Benefits (Security Services), has been revised and reissued, effective July 24, 2007. This Directive outlines the conditions that must be satisfied and the procedure to be followed whenever an employee in the Security Service Unit or the Security Supervisors Unit requests Workers' Compensation benefits.

The Directive states, in part, that employees who have sustained a work-related injury must remain on workers' compensation benefits until such time as:

1. An individualized Independent Medical Evaluation ("IME") determination is made regarding whether the employee continues to qualify for the benefits as a result of a work-related injury, or
2. DOCS receives medical documentation from the employee's personal physician indicating that the employee is no longer disabled due to his/her work-related injury, or
3. Upon determination from the Workers' Compensation Board that a period of lost time is not compensable.

This procedure is especially important as it pertains to female correction officers who are or who may become pregnant or who may deliver a child while they are on workers' compensation benefits. No female correction officer may be removed by DOCS from workers' compensation benefits due to pregnancy or the birth of a child, nor should a female correction officer be scheduled for an IME based solely on her pregnancy or the delivery of a child. Female correction officers who are or who become pregnant may only be removed from workers' compensation benefits when the above-described conditions are satisfied, indicating that they are no longer disabled due to their work-related injury or otherwise do not qualify for workers' compensation benefits, without regard to their pregnancy.

In accordance with DOCS' Employees' Manual, Section 22, DOCS is committed to the implementation of the principles and practices of equal employment opportunity in all phases of personnel policy and practices. In doing so, DOCS does not discriminate against any person because of race, color, religion, national origin, sexual orientation, age, sex, disability or Vietnam era veteran status.

Furthermore, the federal Pregnancy Discrimination Act provides that discrimination of any kind on the basis of pregnancy or childbirth constitutes unlawful discrimination on the basis of sex under Title VII of the Civil Rights Act. Female employees affected by pregnancy or childbirth may not be treated less favorably than other employees for any employment-related purposes, including the receipt of workers' compensation benefits.
